

# Pacific Rim Quilt Company

Hawaiian Appliqué Class with Connie Johnson Saylor

Hawaiian quilts are visually amazing and look complex but are very easy to make. I learned to make Hawaiian quilts from Nancy Lee Chong in 2008 and have become hopelessly addicted, so much so that I purchased Pacific Rim Quilt Company.

## **2 Day Workshop:**

In this 2 day class you will be able to choose your favorite Pacific Rim Quilt

Company Hawaiian wall quilt pattern. You will have hands on experience cutting and basting your quilt. Then you will learn needleturn appliqué techniques on a practice piece or on your quilt if you choose. We will have time to discuss the next steps, quilting and finishing your wall hanging.

All skill levels welcome. No machines needed!
